## Safeguarding Trust

The Clergy, Vestry and leaders of this parish are committed to upholding good practice in our ministry with children and young people.

Should you have any concern or suspicion regarding child welfare in the parish, please contact a member of the Parish Panel.

## Uniformed Organisations Admissions Criteria

The Uniformed organisations above are independently run in our Parish Centre. In terms of places, no preferential treatment is given to children from Ballyholme Parish.

**Each group is usually over-subscribed so register early to avoid disappointment.**

## Hospital/Convalescence Calls

It is always helpful when Parishioners get in touch to tell us a friend or family member has been admitted to hospital and equally helpful to be told when they are safely back home again. The Rector makes weekly visits to the hospitals so please **Contact the Parish Office 9127 4912**

## Nursing Home Care

Currently, the pastoral team regularly visit at least a dozen local residential care or nursing homes. If you have any relatives without a church connection we would love you to get in touch with us.

Sometimes we are called in only when someone is gravely ill and we are always disappointed not to have had an earlier opportunity to get to know them, especially if they've been living somewhere we routinely visit anyway.

**Contact the Parish Office 9127 4912**

## Be a Volunteer

Please let the Parish Office know if you can offer your time to give lifts, visit housebound parishioners, help with catering, magazine articles or publicity.

## Giving Enquiries

Electronic giving is the simplest way to support our ministry. Separate Standing Order forms for both the Free Will Offering and Restoration 2016 are available from the Parish Office.

## Home Groups

Home Groups are relaxed and informal and have fellowship and mutual support as their primary goal. We have several groups running at the moment. They meet at different times and in different venues by arrangement.
